

Worried About New Efficiency Standards? Relax.

Our Wattsaver[®] Motors Are Already There.

Trying to balance budgets while efficiency standards are changing is kind of like walking a tight-rope. Relax...LEESON's already there. We already have a wide selection of energy efficient product solutions, including motors, drives and gearmotors.

The new efficiency standards will take effect by the end of 2010, but you don't have to wait to take advantage of cost savings through high-efficiency products. **We have them in stock and available today...just call, fax or order online.**

Now Grove Gear, Electra-Gear, Lincoln Motors and LEESON products are all available through one central connection.
