

# Tough, Efficient, and One with the Environment.

LEESON designs, builds and supports—  
tough, energy efficient, long lasting—electric  
motors and drives. You save money and ensure the  
uptime your company needs to succeed. And, since our  
products use less energy, you enjoy immediate savings.

As an added bonus, our reduced-carbon-footprint  
products help control climate change.

Save Money.

Save Energy.

Preserve the Environment.
